## Itinerary

Just a note before we get started. This tour is not cheap, we have not cut any corners when it comes to your lodging and the sights included in this tour. We want to point out that we spend one night in Banff, one night in Lake Louise and one night in Jasper. From Banff to Jasper it is about 150 miles, but we take three days to work our way through this wonderful area. This tour is much slower paced than our other tours, so you will have time to just sit back and relax and enjoy the views the good Lord has given us. Wes & Karen.....

### Wednesday, August 2

Board the motorcoach at Wes and Karen's early this morning and join us as we venture west to the "oil Patch" of Williston, ND. Overnight in Williston, ND.

### Thursday, August 3

This morning a local step on guide will take us around the Bakken Oil area and show us the many facets involved in oil production in North Dakota. We then continue our journey west to Havre, MT where we spend the night. B

### Friday, August 4

You might have heard about those red "Jammers" (Pictured on the first page of our brochure) that have been around for many years taking tourists over the top of Logan Pass on the "Going to the Sun" road. Well those jammers have been refurbished to meet all the current safety standards and we have reserved a couple of them to take our group on that famous stretch of highway. You will travel from the east side to the west side this afternoon, and then we will check into the Grouse Mountain Lodge in Whitefish, Mt. B

### Saturday, August 5

Today we make our way north into the heart of the Canadian Rockies. Enjoy the wonderful view today as we travel to the town of Banff where you can take an optional Gondola ride, or soak in the famous hot springs (optional) or simply browse the streets of Banff and enjoy the sights of this wonderful city nestled in the mountains. Overnight Banff.

### Sunday, August 6

Enjoy an included hot breakfast this morning and then continue our slow paced, relaxed visit to this area by only traveling a hop, skip and a jump to our next overnight stay of Lake Louise. This afternoon we enjoy the view of Lake Louise and the Victoria Glacier. You can rent a canoe or take a hike around this wonderful gem. Overnight Lake Louise, AB. B, L

### Monday, August 7

We journey north today on the Icefields Parkway. The Columbia Icefield is located on the boundary of Banff and Jasper National Parks. One of the largest accumulations of ice and snow south of the Arctic Circle, it covers an area of nearly 215 square kilometres, sometimes reaching a depth of 300-360 metres. The continuous accumulation of snow feeds eight major glaciers including the Athabasca, Dome, and Stutfield Glaciers, all visible from the Icefields Parkway. The Columbia Icefield's melted water feeds streams and rivers that pour into the Arctic, Atlantic, and Pacific oceans. Midway through our journey you will ride in one of the specially designed vehicles out on to the Athabasca Glacier where we will actually get to step out of the vehicle and spend some time on this ancient ice! We continue our way north enjoying the many waterfalls and other sights along the way. Overnight Jasper, AB. B

### Tuesday, August 8

Enjoy some more of nature's beauty as we visit one of Jasper National Park's most visited sights ...a cruise on Maligne Lake to Spirit Island. Following the cruise we make our way to Edmonton, Alberta where we check into our hotel and enjoy some time at North America's largest shopping mall! Overnight Edmonton, AB. B

### Wednesday, August 9

Our journey takes us through some of the best wheat growing country in North America. This afternoon we check into our hotel in Moose Jaw, SK. B

### Thursday, August 10

Today we visit the Royal Canadian Mounted Police Heritage Center in Regina. We will also witness the Sargent Major's Parade. Watch as the drill staff put cadets through their paces. The parade includes a roll call and inspection of the troops, accompanied by the cadet band. Following that we continue our journey to Brandon, Manitoba where we spend the night. B

### Friday, August 11

As we cross the border back into the United States today, we pay a visit to the beautiful International Peace Gardens. We arrive back to Appleton this evening. We thank you for choosing WD Tours for your Canadian Rockies experience.
